

Classroom News

May 2010

Ms. Dolive and Ms. Pringle

We will be doing activities that introduce the following information:

Unit Topic: My World and Me (My New School, See How I've Grown, Summer Safety)

Shapes: We will review the names of all the different shapes in English and in Spanish.

Colors: We will review the names of all the colors in English and in Spanish.

Numbers: We will be practice writing numerals to indicate 10-20 objects.

Letters: We will practice writing words by identifying the beginning sound.

We would like to give a special thanks to the parents who have volunteered in the classroom. We would appreciate it if you would come share your talents, jobs skills, and computer knowledge with the children.

Ms. Balderas and Ms. Harden

We will be doing activities that include the following information:

Unit topic: My World and Me

SHAPES: We will be making the octagon shape.

NUMBERS: We will be writing numbers from one to ten.

LETTERS: We will be making ABC books with different craft materials.

Thank you for our volunteers; you helped us to have a successful year.

Ms. Wilson and Ms. Milian – 3 year olds

We will be doing activities that introduce the following information:

UNIT TOPIC: Our unit topic for the month will be My World and Me. We will learn about our new classroom and summer safety.

SHAPES: We will continue working on copying different shapes from a sample. We will add the teardrop and diamond.

COLORS: We will continue experimenting with mixing two colors together and predicting the ending results. We will mix yellow and red paint together.

NUMBERS: We will count objects and write the numeral.

LETTERS: We will continue to write our name and identify all the letters in our name.

I would like to thank all the parents who spent valuable time in the classroom helping the teachers and working with his/her child. Parents are always welcome.

Ms. Passig and Ms. Sampson (sub)

We will be doing activities that introduce the following information:

UNIT TOPIC: "My World and Me".

SHAPES: We will be reviewing all the shapes.

COLORS: We will be mixing primary colors to make new colors.

NUMBERS: We will be practicing counting to find out how many are in a group greater than 10.

LETTERS: We will be working on beginning consonant sounds in spoken language.

Please come by our room and volunteer.

Ms. Pellino and Ms. Lewis

We will be doing activities that introduce the following information:

Unit topic: My World and Me – We will talk about Kindergarten transition, summer safety, how the children have grown and what they have

learned this year.

Shapes: We will continue to talk about all the different shapes we see in the environment.

Colors: We will talk about all the different colors that we see in our environment.

Numbers: We will review the numbers 1 – 20 and how to put them in numerical order.

Letters: We will identify the letters in our unit topic and identify the letters we see in the hallway and in the cafeteria.

We want to thank you for entrusting your children to us this school year. It has been a pleasure working with you as partners in your child's education. Thank you to all of you who have volunteered, both in and out of the classroom. Your help was much appreciated. We wish you and your families a safe and happy summer.

Ms. Smith and Ms. Allen

We will be doing activities that introduce the following information:

UNIT TOPIC: My World and Me—We will be learning about our world and our transition to Kindergarten. We will also learn about summer

safety and see how much we have grown over the school year.

SHAPES: We will review all shapes such as a square, triangle, circle, rectangle, and diamond.

COLORS: We will mix colors together to make new colors.

NUMBERS: We will review counting our numbers 1 to 20 and review writing numbers 1 to 20.

LETTERS: We will practice matching our letters with letter sounds.

Thank you to everyone who volunteered this year. I would like to encourage all parents come and volunteer during our last month of school!! I also wish everyone a safe and wonderful summer!!

Ms. Paredes and Ms. Bishop

We will be doing activities that introduce the following information:

Unit Topic: This month, we will be talking about summer safety, bus safety and kindergarten!

Shapes: We will be looking for the pentagon and diamond shapes here at school and at home.

Colors: We will be look for the colors yellow and orange, the color of summer and the school bus.

Numbers: We will be counting objects in our classroom, one-twenty.

Letters: We will be talking about the letters in the word kindergarten.

We would like for you to come by and volunteer in our classroom. We will be doing a lot of fun things this month getting ready for kindergarten! Classroom G hopes you have fun and safe summer!

Ms. Presume and Ms. Pettway

We will be doing activities that introduce the following information:

UNIT TOPIC: My world and me!

SHAPES: We will practice copying Hexagons and Octagons and review the following shapes circle, square, rectangle, triangle, diamond, and rectangle.

COLORS: We continue to identify all colors around us. We mixed two different colors to see the result.

NUMBERS: We continue to count backward to find how many are left.

LETTERS: The children are putting sounds together to make short words, and recognizing rhyming words in stories.

We would like to say "Thank you" for sharing your child with us this year. We would like to thank all the parents who took time out to come and volunteer in our classroom. We really enjoyed having you. Please, remember to keep reading to your child, visit the library with your child, have your child tell you a story and write it down to make a book, go for a walk together and talk about what you see and the different sounds you hear.

Have a great and safe summer!!!

Ms. Fain and Ms. Peñaencarnacion

We will be doing activities that introduce the following information:

Unit Topic: My World and Me - Many of our activities will be about Our New School, Seeing How We've Grown and Summer Safety.

Shapes: We will create our own simple shapes by cutting, twisting and folding paper.

Colors: Practice identifying all the colors.

Numbers: Practice counting from 1-20 and matching numerals to objects.

Letters: We will name all the letters in our first name and practice reviewing and naming all 26 letters.

We are going to have many fun learning activities our last week. Please volunteer this month and have a wonderful summer break. Have a wonderful time in KINDERGARTEN next year.....

Ms. Strange and Ms. Xuconoxtli – 3 year olds

We will be doing activities that introduce the following information:

Unit Topic: The end of the year topic is My World and Me. We will explore having new teachers, making new friends and summer safety.

Shapes: We will review basic shapes by identifying them throughout our school.

Colors: We will review all colors in a rainbow.

Numbers: We will review numbers by using weighted numbers and scale throughout classroom activities. We will also practice counting using graphs.

Letters: We will review letters in our first and last names. We will continue letter recognition through songs, art activities and games.

Thanks to our parents for a great school year. Ms. Florina and I appreciate each and every one of you for giving us the opportunity to teach your child. Thanks to many of you for volunteering in our class as well as at your home. Have a wonderful, safe and happy summer.

Ms. Virden and Ms. Fraire - 3yr old class

We will be doing activities that introduce the following information:

Unit Topic: My World and Me and some safety tips for Summer time. We will discuss "How I've grown", Bicycle safety, Fire safety, Playground safety, Water safety and Picnic safety.

Shapes: triangle, square, rectangle, star, heart, circle and diamond

Colors: review the primary and secondary colors.

Math: To count a group of objects greater than 10, create new shapes by folding paper, and create a pattern with different materials and colors.

Language/Literacy: They will practice to write their name without sample and retell story from the beginning, middle and end in their own words.

Please come to our room and volunteer.
